To whom it may concern

I write on behalf of the Executive Council of the National Servicemen's Association of Australia Inc. Please be advised the bearer of this document represents the NSW Branch of this Association.

The National Servicemen's Association of Australia NSW Branch was formed in 2013 because of the previous branch being expelled by the Association's National Council therefore a new branch was created.

The Association's NSW Branch was appointed and endorsed unanimously by members of the National Council and subsequently issued with a Certificate of Charter approving them and their Sub-Branches as the only representatives of the National Servicemen's Association of Australia within NSW. The Association has approved and endorsed Branches in every State and Territory of Australia.

The previous expelled Branch now operate under the name NSW National Servicemen's Association & Affiliates and are not connected with or have any relationship with the National Servicemen's Association of Australia they are an independent group within NSW and do not have a national affiliation with the above association.

Yours Sincerely

Noel H Moulder
